

## Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience successfully marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to giving top quality and new design concepts in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They enjoy providing items which energize both their dealers and their partners and offer production gains to their customers.

The TREK team of workers enjoys new tasks and new challenges. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' requirements and skills along with their understanding of cleaning applications, together with owners' strong desire to dramatically reduce expense through productivity gains.

When needed, the personnel within TREK and its numerous dealer members in both technical support and parts would be available. Among their core values is their high service devotion in their customer service. Keeping their clients' cleaning machines ready and running daily is top priority. The company's top of the line technology delivers reliable machinery that ultimately reduces your cleaning cost. The service, the product and the price all work together to make them the leader in the trade.
