American Lincoln Parts - Presently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the industry they are recognized within the business as providing strong and durable equipment that satisfies the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind model of floor scrubber together with the Clarke Company that is now also owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These types of scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply equipment, parts and warranty service for these types of scrubbers which have both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility managers where results and efficiency count. Recently, this floor scrubber model has been used by the architects in new construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this particular sweeper scrubber on site because of the model's supreme performance level and high standard of quality for polishing concrete.
