

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how long and tedious it will be to tidy up right after a party, with out assistance from equipment. Previously, the dirt from upholstery and carpets had to be beat out of them manually; brushes, cleaning cloths and brooms were the best cleaning products at the time.

P.A. Fisker, the man who established Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Establishing the company in 1906, he began to produce motors to be able to drive drills, fans, machine tools and coffee grinders. Mr. Fisker's vision from the beginning was to have a global company selling goods internationally.

The Nilfisk C1 was a tremendous breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by one individual. This creation came in a time where numerous cleaning equipment were very big and required 4 or more operators, hence, the Nilfisk C1 changed everything and evolved the way we clean forever. The genius behind these first cleaning equipment remains unparalleled. Cleaning machines offer a brilliant solution to an existing crisis; things get filthy and must be cleaned frequently, without too much effort.

Slowly but steadily, Nilfisk-Advance developed all through the years. In the nineteen eighties, this growth truly took place the time the business became a part of the NKT Group. Their new owners' drive and motivation made Nilfisk-Advance take a huge leap ahead within the industry, aspiring to be among the leading global players in the market of professional cleaning machines. Nilfisk-Advance is now located in all parts of the globe by steadily acquiring many smaller companies to be able to develop their product range and presence in new markets. They are proud to provide a range of cleaning solutions to suit every requirement.
